

## PAIRING A BLUETOOTH DEVICE

---

1. Press and hold the **Power/Play/Pause/Speakerphone/Pair** button for approximately 4 seconds. The indicator will flash red and blue. *When pairing, remain within 3 feet of the unit.*
2. Using the native controls on your Bluetooth device, search for and select **IAEB44** in your Bluetooth settings to pair. If your device requests a password, enter the default password **0000**. *Refer to the user's manual for your specific device for instructions on pairing and connecting Bluetooth devices. After initial pairing, the unit will stay paired unless unpaired manually by the user or erased due to a reset of the device.*
3. If your device should become unpaired or you find it is unable to connect, repeat the above steps.

## PLAYING AUDIO WIRELESSLY

---

1. To play or pause a selected track, use the native controls on the connected Bluetooth Device or press the **Power/Play/Pause/Speakerphone/Pair** button.
2. Audio played through the connected Bluetooth device will now be heard through the headphones.

## USING THE SPEAKERPHONE

---

1. When a call is received, a ringtone will sound through the speakers.
2. Press the **Power/Play/Pause/Speakerphone/Pair** button to accept the call, or accept the call with the native controls on the connected device.
3. The incoming call received through the device will now be heard through the headphones.
4. To end the call, press the **Power/Play/Pause/Speakerphone/Pair** button or end the call using the native controls on the connected device.

*User's Guide for Model No. IAEB44 v1025-01*

## **WARNINGS AND PRECAUTIONS**

- **WARNING:** To prevent fire or shock hazards, do not expose this unit to rain or moisture.
- **WARNING:** Do not place this unit directly onto furniture surfaces with any type of soft, porous, or sensitive finish. As with any rubber compound made with oils, the feet could cause marks or staining where the feet reside. We recommend using a protective barrier such as a cloth or a piece of glass between the unit and the surface to reduce the risk of damage and/or staining.
- **WARNING :** Where the mains plug or appliance coupler is used as the disconnect device, such disconnect device shall remain readily operable.

**Note :** This device uses an internal rechargeable lithium-ion battery that should last the lifetime of the device. If you suspect your battery may be dead after several attempts to charge, please contact 1-888-999-4215 for support.

Never disassemble the unit or attempt to remove the battery as that could cause leakage of an electrolytic substance.

## FCC WARNINGS

- Warning: Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

## **FEATURES**

---

- Supports Bluetooth v4.0
- Supports profile A2DP (Advanced Audio Distribution Profile)
- Built-in microphone
- Driver: 10mm
- Nominal Impedance: 16 ohms
- Micro-USB port for battery recharge
- Wireless range: 33 feet
- DC battery power: built-in rechargeable lithium ion battery

## **INCLUDES**

---

- USB cable
- Carry pouch
- 3 Sets of ear tips
