## Warnings and Precautions

- **WARNING:** To prevent fire or shock hazards, do not expose this unit to rain or moisture.
- **WARNING:** Do not place the unit on top of any soft, porous, or sensitive surfaces to avoid damaging the surface. Use a protective barrier between the unit and surface to protect the surface.
- **WARNING :** Where the mains plug or appliance coupler is used as the disconnect device, such disconnect device shall remain readily operable.
- **Note :** This device uses an internal rechargeable lithium-ion battery that should last the lifetime of the device. If you suspect your battery may be dead after several attempts to charge, please contact 1-888-999-4215 for support.
- Never disassemble the unit or attempt to remove the battery as that could cause leakage of an electrolytic substance.

## Pairing a Bluetooth Device

1. Turn on the unit using the **Power** switch. The **Pairing/Line In Indicator** will flash blue quickly.
2. Press and hold the **Pair** button until a beep sounds.

*When pairing, remain within 3 feet of the unit.*

3. Using the native controls on your Bluetooth device, select the "ISB212" in your Bluetooth settings to pair.

*If your device requests a password, enter the default password "0000". Refer to the user's manual for your specific device for instructions on pairing and connecting Bluetooth devices.*

4. When successfully paired and connected, the **Pairing Indicator** will display a solid blue light and a beep will sound from the unit.

*After initial pairing, the unit will stay paired unless unpaired manually by the user.*

## Playing Audio Wirelessly

1. Follow the instructions for Pairing a Bluetooth Device.
2. Use the native controls on the connected Bluetooth device to select a track.
3. To play, pause or skip the selected track, use the native controls on the connected Bluetooth device or press the **Play/Pause** button on the unit.
4. Audio played through the connected Bluetooth device will now be heard through the speakers.
5. Press and hold the **Vol+/Vol-** buttons to adjust the volume.

## Using the 3.5mm Audio Input

1. Plug one end of a 3.5 mm audio input cable (not included) into the **3.5 mm Audio Input** on the unit.  
*The **Pairing/Line In Indicator** will display a green light.*
2. Plug the other end of the cable into the audio output/ headphone output on an MP3 Player or other audio source.
3. Turn on the unit using the **Power** switch.
4. Audio played through the connected device will now be heard through the speakers.

*Note: Any audio being played through a connected Bluetooth Device will cease once the 3.5mm Audio source is connected.*
